

Cleaning Astroguard Hurricane Fabric

If you need to clean your Astroguard, you may use a mild detergent and warm water. Avoid any bleach based products as they can damage the Fabric.

A good commercial “Mold and Mildew Stain Remover” is available from:

Iosso Cleaning Products

1485 Lively Blvd., Elk Grove, IL 60007

(847) 437-8400

A 12 oz. jar makes up to 3 gallons of cleanser and 1 gallon will clean 150 square feet of Fabric. Cost is around \$15.00/jar.
